HORIZON 3

Bluetooth® clock radio speaker with FM

Features and Benefits

Powerful JBL Pro sound

Start your day with room-filling stereo JBL Pro sound, whether its your favorite playlist or the soothing melodies of birds singing. Our dedicated acoustic design ensures your music is clear and balanced to get your morning moving.

Radio and Bluetooth® music streaming

Wake up to your local news, traffic, and weather. Unwind in the evening with your favorite mellow streaming playlist. Switch easily from FM radio to Bluetooth® streaming to fit your mood throughout the day.

Sunrise effect alarm

Ease your way into your morning and wake up to a sweet, warm sunrise effect set. Choose the duration of your morning light for a perfect start to your day.

Customizable sleep mode

Unwind to calming ocean waves, a tranquil forest or gentle rain. Fall asleep your way, to your favorite radio stations or soothing nature sounds.

Ambient light

Change the light to match your mood. Adjust the color temperature and brightness with the JBL ONE app as you're winding down for bed.

Easy-read display and intuitive controls

The large display makes it easy to check the time, and the adjustable light levels ensure it doesn't shine in your eyes all night. Still half asleep? The rotary control knob and soft-touch buttons are easy and intuitive to use.

USB Type-C charging port

Get your phone charged up and ready to go as well. Plug it—or any USB-powered device—into the charging port so it's ready when you need it.

JBL ONE app

Fall asleep or wake up your way. Use the JBL ONE app to choose your favorite nature sound, change radio stations, customize the ambient light setting, and more. All without your head leaving the pillow.

Made in part with recycled materials

The JBL Horizon 3 features a speaker grille fabric woven from 100% recycled polyester yarn and an outer frame made from at least 85% recycled PC/ABS. It's also packaged in FSC-certified paper printed with soy ink.
